

WTCA China-US Business Forum

Lunar New Year Networking Reception

Co-hosted by ACP/GSUCI/WTCA/ACIA

Aiming to facilitate and promote the communication and development of China-US economic relations, the World Trade Center Atlanta (WTCA) will hold a 2011 Chinese New Year Business Forum and Network Reception event. The subject is "Dialogue • China"; topics include investment, trade, education, technology exchange and intellectual property protection. The forum will afford the participants with a venue to explore business and investment opportunities in various China-US industries and market sectors. The organizing committee has sent invitations to Chinese delegations, local Chinese companies, WTC Atlanta member companies including Fortune 500 companies, other companies and individuals interested in this forum. This event is co-organized with Association of Chinese Professional in Atlanta (ACP), Georgia State University Confucius Institute (GSUCI) and America-China Investment Association (ACIA).
