

CHINA RESEARCH
CENTER

www.chinacenter.net

A Center for Collaborative Research and Education on Greater China

Sponsorship Levels, Annual:

Platinum: \$5,000

Gold: \$2,500

Silver: \$1,000

Sponsors' logos are displayed on the China Research Center website, with an option to link to your website. At the platinum and gold levels, you may elect one member of your organization to work with us through our Advisory Board. Your organization is recognized at our events and in connection with related projects, such as the publication of our journal, *China Currents*.

Contact Us:

The Center seeks sponsorships and grants from businesses and organizations that wish to collaborate on mutually beneficial programs, education and outreach. The Center is a nonprofit, nonpartisan and independent organization that depends on grants, sponsorships and donations to fund its operation and programs.

The Center is a 501(3)(c) non-profit institution. Donations are tax exempt. Our tax id is 03-0609331.

We are actively seeking company, community organization and foundation sponsorships to support the work of the Center. Please contact Penelope Prime at pbprime@chinacenter.net.

China Research Center Sponsorship

We gratefully acknowledge our Gold sponsor, East West Manufacturing (www.ewmfg.com) for 2013-14. We also thank the Institute of International Business, J. Mack Robinson College of Business, Georgia State University for their institutional support. For a number of years the Center has received support from the Luce Foundation at the request of Advisory Board member, Dr. Mary Brown Bullock. The

Center also receives support from the Adirondack Foundation at the request of the Margaret A. Prime Memorial Fund.

The Center gratefully thanks our past platinum sponsor for many years, Womble Carlyle Sandridge and Rice, PLLC., and past institutional support from Mercer University and Kennesaw State University. The Center also acknowledges past financial support from KeyLingo Translations and Alcan, as well as the *Journal of Contemporary China*; the Sam Nunn School of International Relations, the School of History, Science and Technology, and CIBER, at the Georgia Institute of Technology; and the Department of Economics & Finance, the Center for Global Initiatives and the Department of Political Science at Kennesaw State University; the Asian Studies Center and the History Department at Georgia State University; KPMG; Troutman Sanders, The Carter Center; the Confucius Institute of Atlanta; the National Association of Chinese Americans; The Hong Kong Trade Office-Atlanta; University of North Carolina-Greensboro; The Halle Institute, the Confucian Institute and the Department of Russia & East Asian Languages and Cultures at Emory University; and others.
