On Thursday, February 28th, the 15th Anniversary of the Doing Business with China Forum will be held at the Renaissance Waverly Hotel and Convention Center. The year 2019 celebrates the 40th anniversary of the establishment of U.S.-China diplomatic relations, which has strengthened cooperation across commercial, social, and educational fields between the two countries. Chinese foreign director investment continues to rise in the United States providing more job opportunities and economic growth for the state of Georgia. The Earth Pig, who joins us in 2019, is good at socializing and maintaining interpersonal relationships, which is a great way to kick off another 40 years of mutually shared respect and future prospects to both countries! Join us to hear from panelists and speakers sharing their insights into the future of U.S.-China business relationships!
