

ICA
INSTITUTE

The ICA Institute and The Confucius Institute Present

New Drivers for Chinese Economic Development

Featuring

Dr. Wang Fuming, University of International
Business and Economics, Beijing

May 8th, 2015

10:00am - 12:00pm

Prillaman Indoor Plaza

Dr. Wang Fuming is Professor of International Business and Director of China-Australia Center at the University of International Business and Economics in Beijing, China. In his presentation, Dr Wang will discuss the current economy of China and its key contributors in the last three decades. He will then go on to present future business opportunities in the manufacturing, service, green and infrastructure sectors in China.
